Quantity Surveyor

Description

Experienced Quantity Surveyor

Join a Leading Main Contractor and Take Ownership of Your Projects!

Are you an experienced Quantity Surveyor with a strong main contractor background? Do you thrive on seeing a project through from start to finish? If so, we have an exciting opportunity just for you!

About the Role

We're looking for a skilled **Quantity Surveyor** to join a reputable main contractor with a strong pipeline of diverse projects. You'll be trusted to take full ownership of your own projects, managing them end-to-end and ensuring they are delivered to the highest standards.

What We're Looking For:

- **Proven experience** working as a Quantity Surveyor for a **main contractor**.
- The ability to **run projects independently** from inception through to final account.
- A proactive and organised approach to managing budgets, cost control, and client relationships.
- Strong knowledge of contracts, procurement, and commercial management.

Why Join Us?

- Work on exciting, varied projects with a trusted main contractor.
- Enjoy the autonomy and responsibility to manage your own jobs.
- Be part of a company that values expertise and fosters career progression.
- Competitive salary package and benefits tailored to your experience.

This is a fantastic opportunity to take the lead on projects and make your mark within a supportive and forward-thinking team.
